Dear Sir/Madam:

Your application and technical documentation have been successfully submitted to the Department. The application number **011017182-001** and call sign CKVB-FM have been assigned to your application.

[if CRTC application is required but not submitted]: Please be advised that a processing priority will not be given to a proposal until the related application has been submitted to the Canadian Radio-television and Telecommunications Commission (CRTC). If the application meets exemption criteria and does not require a submission to the CRTC, Innovation, Science, and Economic Development Canada should be advised as soon as possible. If a related CRTC application has not been submitted within 30 days of the receipt of this application, the Department will consider this application closed and take no further action.

It should also be noted that the Department will not issue a letter of approval (LOA) until such time as your obligations under CPC 2-0-03: "Radiocommunication and Broadcasting Antenna Systems" have been met and verified by Departmental staff.

Sincerely,

Christina Mut

Broadcast Application and Certification Officer, Spectrum Management Operations Branch

Innovation, Science and Economic Development Canada / Government of Canada
