

To: CRTC

The Royal Canadian Legion Br.13 is situated in the heart of the City of Corner Brook.

As a non-profit organization we depend greatly on community support.

Therefore when our city lost our newspaper, followed by our only local radio station, we were extremely disappointed and worried as to how we could communicate to the public.

The news that Bay FM was going to start to operate here was the best news we could have gotten.

It opened a new door for us and the support that the station is supplying us is phenomenal.

The importance of increasing power levels to better serve the community and improving reception issues is a must.

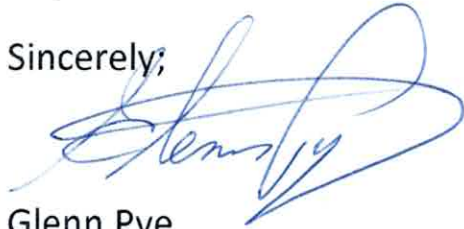

Bay FM is the only remaining local radio station in Corner Brook.

The station has grown significantly and now provides local news, weather, sports and other specialty programming.

The station broadcasts live local content at a minimum of 12 hours each weekday.

As was stated before we rely and depend on this station to get our message out and the need to strengthen the station's operations is imperative.

Sincerely;

A handwritten signature in blue ink, appearing to read 'Glenn Pye', with a large, stylized loop at the end.

Glenn Pye

President

Royal Canadian Legion Branch 13
