Giving Hope Today

July 28, 2023

Dear Friends,

**RE: BAY OF ISLANDS RADIO INC (BAY FM)**

It is my pleasure to endorse the Bay of Islands Radio Inc. request to move their transmitter to provide more effective service to our region. Bay FM is the only remaining local radio station in Corner Brook and provides invaluable local news, weather and specially programming for a minimum of 12 hours every weekday. The relocation of the transmitter will enhance their service and viability through potential advertising revenue.

Bay FM is a strong community partner and supporter of many special events and activities in our region. The Corner Brook Salvation Army Community and Family Services has frequently availed their expertise to promote our services to the vulnerable of the community.

I would request that a favourable decision be made by the CRTC for this request.

Sincerely,

Brian R. Wheeler  
Major  
Director of Community & Family Services
